

DIVORCE SANITY Co-PARENTING

Specialized Skills for Divorced, Divorcing or Never-Married Parents

[Meets Requirements of Texas Family Code Section 105.009 "Parent Education and Family Stabilization Course "]

Research suggests that the divorce is not the cause of children's problems. The risk of problems increase when children are drawn into their parent's conflict, lose contact with a parent, and/or experience significant environmental changes.

Workshop Description

This is a four hour educational workshop. It is designed to provide parents with the information and skills needed to minimize the impact of divorce on their children and **maximize their parenting skills** in their life long parenting relationship.

The Workshop is educational and participants should not expect to receive legal advice or counseling in this workshop.
